The Mission of The Wilson School:

To prepare students for success in an ever-changing world, our exceptional educators combine classic and innovative methods within a warm, nurturing environment.

Providing our students:

- An outstanding academic education
- An awareness of their creative abilities
- An understanding of their social responsibilities
- A respect for and value of differences in people and points of view
- A sense of responsibility for their personal and physical well-being

The Wilson School
Alumni *Achievement Awards 2019*

1. Provide a brief statement (300 – 500 words) on how this nominee positively reflects the personal attributes described in The Wilson School’s mission (stated above).

2. Provide one example of a professional or personal accomplishment that demonstrates how this nominee is making a difference in his or her work and/or community.

The Wilson School
Alumni *Achievement*
Awards 2019

3. Provide a brief overview of the candidate's education and related history.

Nominees, should they accept their nomination, will be requested to provide a photo, resume and short bio. With their permission, information about the award recipients will be shared on The Wilson School's website and other publications.
